

**2021- 2022 Supplemental Funding Information for CPP Students –**

**FOR PROVIDER USE ONLY**

Preschool Promise tuition assistance is intended to fill the gap between the reimbursement from other state, federal or local funding sources and the cost of quality preschool education. The final amount of tuition assistance awarded to the child will account for all other sources of publicly or privately available funding the child is eligible for or already receiving.

**Preschool Providers:** This form should be submitted when a parent/guardian applies for CPP tuition assistance at your program. Please answer the questions below, and submit the completed form to:
