Destiny's Childcare: Where Learning Begins with Love and Faith
Gold-rated | Bond Hill | Serving ages 6 weeks to 12 years | 7 AM – 6 PM | M-F

Walk through the doors of Destiny's Childcare and Development Center, and you'll find more than a center — you'll find a community rooted in faith, family, and the joy of learning. Laughter echoes through the hallways, teachers greet each child with open arms, and hugs and smiles are exchanged as a daily ritual. "Even if you feel a little off center, it's hard not to smile when you're hugged by a child," says Director Kamica Johnson. "Those shared hugs remind us that our children feel loved and safe — and that's everything."

As a faith-based early education center, Destiny's Childcare serves children from 6 weeks old through 12 years, including afterschool care. Its mission is clear: to provide high-quality care in a nurturing, secure environment that supports each child's development — cognitively, socially, emotionally, physically, and spiritually.
"We're not just preparing children for kindergarten," says Kamica. "We're preparing them for life. That includes teaching strong values, encouraging curiosity, and supporting them with love and structure every step of the way."

A Step Up to Quality Gold-rated program, Destiny's Childcare is guided by the Creative Curriculum and Ohio's Kindergarten Readiness Standards, ensuring each preschooler builds the skills they need to thrive. Kamica is quick to say the Center doesn't do it alone.

“Cincinnati Preschool Promise enables us to offer better opportunities and resources for our preschoolers, families, and teachers,” she explains. “The tuition assistance helps families afford quality care, while the Teacher Promise Grants and coaching elevate our staff and expand our capabilities. That support means everything.”

At Destiny’s, faith and education go hand-in-hand, creating a strong foundation for every child. Whether it’s a toddler exploring textures or a preschooler building early literacy skills, each moment is infused with intention — and love.
